

ADMISSION REQUIREMENT AND REGULATIONS

- **Eligibility for Entrance to Bachelor's Engineering Program:**
A Higher Secondary School (HSC) Certificate (Pre-Engineering) with at least 60% marks awarded by a recognized Provincial Intermediate Board, followed by success in aptitude test and interview conducted by IoBM.
- **Attendance Policy**
Ensure 100% attendance for each course, 20% absence is permissible, only in case of illness, or emergencies. These have to be approved by the Management. Approval is contingent upon the evidence provided. 20% means that a student is allowed a maximum of four approved absences in a course during the regular semester.
- **Below Good Standing and Degree Conferment Policy**
Students of Bachelor's Electrical and BS industrial Engineering must maintain a CGPA not below 2.00 for two consecutive semesters and Summer Crash in an academic year to maintain good standing. Any deficiency should be made up in the following semester; otherwise, the concerned student may be dropped from the rolls of the college. A CGPA of 2.50 is required for the conferment of the degree.

It may be noted that if student having a below good standing CGPA, cannot take Semester Gap/s unless approved by ED/Registrar.

- **Examination Norms**
Each semester has two hourly exams (6th & 11th week) and one final exam in the 15th week. Marks distribution is conveyed to the students at the beginning of the semester which traditionally is 15 marks for each hourly and 40 marks for the final exam. 30 marks are assigned for quizzes and assignments.
- **Discipline and Dress Code Policy**
IoBM stands out among other universities for its special emphasis on maintaining good order and discipline among its students. It is desired from IoBM students to reflect its values and standards in every way by appropriate dressing which will enhance the personality and contributes to successful nonverbal communication in the campus.
- For details, students are advised to go through the contents of IoBM Catalog 2016-2017 available on IoBM website
